THE UNITED REPUBLIC OF TANZANIA

SPECIFIC CONDITIONS TO SUMBAWANGA MUNICIPAL COUNCIL FOR THE PROPOSED CONSTRUCTION OF AGRO-PROCESSING INDUSTRY AND GRAIN MARKET ON PLOT NO. 200, BLOCK "A", KANONDO INDUSTRIAL AREA, KANONDO VILLAGE, IN NTENDO WARD, SUMBAWANGA MUNICIPALITY, SUMBAWANGA DISTRICT, RUKWA REGION

A. ENVIRONMENTAL MANAGEMENT PLAN IMPLEMENTATION

1. Ensure that, the mitigation measures are implemented accordingly as stated in the Environmental Management Plan (EMP);
2. Ensure that a proper environmental management organization pertinent with the type of project and site level is developed and made operational to guide the implementation of the Environmental Management and Monitoring Plans for the project;
3. Engage an Environmental Expert to guide implementation of the Environmental Management and Monitoring Plans;
4. Maintain, liaison with the key regulatory institutions and sectors in the course of implementation and operation of the project and prompt reporting of incidents as per law;
5. Ensure solid and liquid wastes are properly managed in course of the project operation;
6. Ensure all sources of water both surface and underground should be protected from any form of pollution;
7. Ensure all hazardous wastes generated from the project must be managed in accordance to the Environmental Management (Hazardous Waste Control and Management) Regulations, 2021;
8. Ensure proper management of dust, noise, vibrations and smoke, all emissions are within permissible standards in all project phases;
9. Ensure that establishment of proper monitoring schedules for soil, water (turbidity) and sediment flow are made as indicated in the Environmental Monitoring Plan;
10. Ensure that the Government through its Mandated Institutions gets access to monitoring data, monitoring network facilities and are facilitated to verify any monitoring information;

These specific conditions and the general conditions which are printed at the back of the EIA certificate form the basis for the project approval and future monitoring and evaluation of its performance.

11. The Environmental Management (Prohibition of Plastic Carrier Bags and Plastic Bottle Cap Seals) Regulations, 2022; and
12. Ensure to conduct Annual Audit and report should be submitted to the Council.

B. SAFETY MATTERS

1. Ensure that, Health and Safety Management Plan is approved by relevant authorities and made readily available for inspection. Among other things, a record of baseline health status for each employee should be kept and regular occupational medical check-up made against that; should also observe the requirements of the Occupational Health and Safety Act, 2003;
2. Ensure that, proper and approved Personal Protective Equipment (PPE) are provided to workers and are used as required by relevant policies, regulations and guidelines;
3. Ensure that safety precautions, firefighting facilities are in place and an Emergency Preparedness and Response Plan is prepared, implemented and updated annually;
4. Ensure that, Health and Safety Management Plan is approved by relevant authorities and made readily available for inspection;
5. Ensure that warning signs are provided strategically in appropriate areas.

C. DESIGN OF THE CRITICAL FACILITIES TO COMPLY WITH BOTH NATIONAL AND INTERNATIONAL STANDARDS

6. Ensure that storm drainage systems around the project site are well designed to protect sediment intrusion to the site;
7. All facilities whose design is by law subject to approval by a regulatory authority should be approved by such authority and the approved designs submitted to the Council for records and future reference;
8. Any changes or improvement in the design of the storage facility and other critical components, made at any project stage, including abandonment, should be done in consultation with and, after approval by respective authorities.

D. CORPORATE SOCIAL RESPONSIBILITY

9. All commitments aiming at demonstrating the Company's observance of the Corporate Social Responsibility (CSR) principles should for key items be in form of Memorandum of Understanding (MoU) with relevant communities and all MoUs should be witnessed by relevant Local Government Authorities (LGAs);
10. Ensure that communities around the project area and general public are aware of the dangers they can be exposed to by the project activities; in its regard, a
